_____ I understand a KHSAA Physical/Permission Form must be on file before I can try out for any sport.

It is possible to participate in two sports in the same season, depending on the sport. With that being said, please check the sport that you are most interested in trying out for from the list below. If you are interested in only one sport, then indicate so by checking just that one. If you are interested in more than one sport in the same season, indicate your first choice with a "1" and your second choice with a "2."

An email will be sent to the email address listed above by the head coach. The coach will provide information as to when and where conditioning and tryouts will occur. Information about fall sports also will be provided through direct emails to parents from the athletic department. During the school year, information will be included in the Rocket Report emails sent to parents each Friday.
