

ORDER MEALS FROM ANY DEVICE!

1. Find your school in the Flik'sDining mobile app or visit your school's menu at
2. Create an account and complete set up by selecting "Log In" from navigation menu. Each person who will be placing orders needs to create their own account. You can set up individual student profiles if you have more than one student in your account.
3. Place your order per protocol.
4. Remember to check out!

If ordering from the app, remember to set your settings to accept push notifications so we can remind you to place your orders before the deadline!
