

## Assumption High School 2020 Home Game Instructions for: **Volleyball**

It is our desire to provide the safest environment possible for our student athletes, coaches, officials, staff, and spectators as we return to play during this Covid-19 Pandemic. The following rules will be in place until further notice. These rules have been developed in accordance with the guidelines and policies adopted by the KHSAA, CDC and the Assumption High School Administration.

1. Parents of the home and away teams rostered student athletes will be the only fans allowed to attend. If siblings need to attend they will be permitted if they follow all requirements for admission AND they sit with the parent(s) of the student athlete for the duration of their stay. Spectators will be limited to one side of the bleachers (St. Raphael side) while student athletes will remain on the bench side of the bleachers. All bleachers have been marked 6 feet apart and every other bench to encourage 6 feet social distancing. Assumption is limiting the gym to no more than 30% of our facility capacity. This number includes players, coaches and fans. *\*We know that this limit will prove to be a difficult situation for many but one that is required to allow parents to be in person to watch their children play.*
  - a. A roster of participating athletes and coaches shall be sent to Assumption [angela.passafiume@ahsrockets.org](mailto:angela.passafiume@ahsrockets.org) in advance by the visiting school to accommodate potential staggered team member arrivals.
  - b. Passes will be accepted, but attendee must be a home or visitor school administrator, visitor's school AD, AHS staff member or a home or visitor's school parent.
  - c. All rostered athletes must arrive in uniform as no locker rooms will be available. They must be temperature checked and go straight to their bench area until the coach arrives.
  - d. Admission will be \$5.00 for adults and 10 and under free
  - e. **All** spectators in attendance must completely adhere to the following:
    - i. Completion of the attendance agreement form (for contact tracing, agreeing to a temperature check and to wearing a mask)
    - ii. Pass a temperature screening (100.4 or higher will not be allowed to enter)
    - iii. Always maintain 6-foot social distancing from those not in their immediate family
2. All student athletes and coaches will be required to wear a face covering unless actively playing during a match. At this time, Assumption players are planning on wearing a mask during play.
3. Student athletes not in the current match will be seated in the bleachers behind the team bench area with mask on and socially distanced. No fans will be allowed in this area.
4. There will be no locker rooms used by student athletes during competitions.
5. Gates for teams and parents will not open until 30 minutes before the start of the first contest of the day. Team entry will be the priority while parents wait until teams have entered. This will assist in reducing the amount of exposure time for the event.
6. If a student athlete arrives with a temperature OR is symptomatic OR becomes ill during the match and cannot be removed from the facility immediately, room C107 will be used for isolation until the student can be picked up from the facility.
7. There will be no water or towels provided for players. Please have them bring what they need.
8. A certified athletic trainer will be on site. Ice bags will only be made available for situations as deemed necessary by our trainer.

## Assumption High School 2020 Home Game Instructions for: **Volleyball**

9. Concessions will not be available.
10. No unauthorized personnel will be allowed in the team bench or score table area.
11. Assumption will host a traditional tri-match format, when scheduled and agreed upon with the opposing school.
12. Cleaning sessions will take place immediately following freshman and JV matches. This will include 10 or more volunteers cleaning surfaces including but not limited to handrails, door knobs, bench seats, scorer's table, and balls. Custodial crews will clean the restrooms at least once during the event.
13. Hand sanitizing stations will be placed throughout the facility and on each bench.
14. Balls will not be shared by opposing teams during warm ups. Each team will use a separate basket of balls.
15. Ball runners will be masked and wear gloves. Using a three-ball system, they will clean each ball as it goes out of play and clean its surface, rotating balls during the match.
16. NFHS Network - Here is the link you can send to all your friends and family to watch your amazing kids! <https://www.nfhsnetwork.com/schools/assumption-high-school-louisville-ky> or [www.NFHSnetwork.com](http://www.NFHSnetwork.com) and enter Assumption High School in the search box. You may choose either a monthly (\$10.99) or yearly (\$69.99) subscription. This gives you access to Assumption soccer, field hockey, softball, basketball, lacrosse games as well as any other school's games who are also subscribers (locally SHA and many other schools are joining this year).

Please use this QR Code or link ([Assumption Attendance Records - Gym](#)) for permission to be admitted at our event.

*WE ENCOURAGE YOU TO COMPLETE THIS FORM as soon as you arrive as this submission will be used for contact tracing. You will receive an email confirmation which must be shown to the volunteer taking temperatures at the admission gate. Admission will be granted if you pass the temperature check.*
