

# ASSUMPTION HIGH SCHOOL

NATIONALLY RECOGNIZED SCHOOL OF EXCELLENCE SPONSORED BY THE SISTERS OF MERCY

January 30, 2020

Dear Parents,

Choosing Assumption High School for your daughter is one of the best decisions you can make as a parent! Please know that we are grateful to you for sending your daughter to Assumption and for the partnership and trust you have given us. We recognize the significant investment you are making in your daughter's future, and we promise to be good stewards of this investment.

One of my roles as president is to administer the budget and work with our board of directors to meet the fiduciary responsibilities of operating our school. The Assumption Board of Directors has set **tuition for the 2020-2021 school year at \$14,250** (which includes your daughter's Tablet PC) for those who pay in full by July 1, 2020. We also offer a sister discount of \$500 for families with more than one daughter enrolled, which will be applied to the second daughter's account.

**In order to keep Assumption affordable for as many families as possible we offer financial aid as well as numerous scholarships. Financial Aid applications can be found on our website under Admissions and are due February 28, 2020 to FACTS.** If you have any questions regarding tuition, tuition payment plans, or financial aid, please contact our Finance Office at 502-271-2513.

Information on our **scholarship opportunities can also be found on our website under Admissions. Scholarship Applications are due by 4:00 p.m. on March 4, 2020.** They should be sent to [Jackie.Bloyd@ahsrockets.org](mailto:Jackie.Bloyd@ahsrockets.org). If you have any questions regarding scholarship applications, please contact our Advancement Office at 502-271-2511.

All of us at AHS recognize the sacrifices our families make to send their daughters to Assumption. Our priorities in setting tuition include investing in our exceptional faculty and staff, enhancing our superior academic program, and maintaining our technological edge. Additionally, AHS will allocate more resources to our financial aid program than ever before to support families in need for the coming year. Although significant, the cost of tuition covers only part of the actual cost of educating your daughter. The difference is met through fundraising and the generosity of our donors.

I personally want to thank you for choosing Assumption. We are committed to providing your daughter not only an exceptional education but also outstanding opportunities for growth and development - academically, personally, and spiritually. We are grateful for the opportunity to help prepare her for college and career, service and leadership, and the promising future that awaits her.

Sincerely,

Mary Lang  
**President**
