

PLACEMENT GUIDELINES FOR THE CLASS OF 2024

Freshmen at Assumption are grouped in four general levels for English, Geography, Math, Science, and World Language. All levels are part of Assumption's pre-college curriculum. The levels are as follows:

Advanced (AD)	Accelerated college preparatory work that moves at a faster pace and in greater depth
Honors 1 (H1)	Honors high school material that proceeds at college preparatory pace
Honors (H)	Regular high school material that proceeds at college preparatory pace
Academic (AC)	Emphasis is on skills and basic concepts; class size is generally smaller; students may need to enter preparatory program in college

The general guidelines for placement based on HSPT scores for the Class of 2024 are the following:

Test Category	HSPT Percentile Score	Levels/Subject Placement
Verbal/Reading	85-99	Advanced English I, Geography, and Biology
	71-84	Honors 1 English I, Geography, and Biology
	35-70	Honors English I, Geography, and Biology
	Below 35	Academic English I, Geography, and Biology
Quantitative/Math	85-99	Advanced Algebra I or Advanced Geometry and Biology
	71-84	Honors 1 Algebra I and Biology
	35-70	Honors Algebra I and Biology
	Below 35	Academic Algebra I and Algebra Lab and Biology
Language	85-99	Advanced Spanish or French
	71-84	Honors I Spanish or French
	35-70	Honors Spanish or French
	Below 35	Academic Spanish

Please note:

1. These assigned levels may be modified after input from eighth-grade teachers, review of other test scores, and parent/student consultations.
2. A student may be in different levels for different courses as best fit her academic needs.
