# Prayer for the Opening of the School Year

*Sr. Susan M. Seeby Mother McAuley High School Chicago, IL*

God of our journey,

We gather before You to begin a new year.

Grant us the grace to walk this journey side by side, with compassion, kindness, humility, gentleness, and patience.

May we recognize that the road we travel is built with the gifts of each one of us here and each student and family who enters our doors and is held together with love.

We ask Your blessings through Your son Jesus the Christ.

Amen

# Why are YOU here?

- Educational partnership
  - GOAL: A comfort level to help your daughter troubleshoot and navigate her high school curriculum with the help of this technological device.
- Why AHS chose the HP Tablet PC
- We are all still experts in what is best for your daughters
  - GOAL: Good digital citizenship for our students.
- Help to answer questions about how the tablet PC will impact your daughter's learning in any learning environment throughout the 2020-2021 school year and beyond

# Value to Learning Outside of the Physical Classroom

- The spring of 2020 proved to us the inherent value of our Tablet PC program to our student's education
- What did that look like at Assumption?

## DIGITAL LEARNING DAYS

- ▶ After two built in snow days
- ▶ Never more than
- ▶ Great success
- ▶ The learning

This was our slide from past parent trainings!

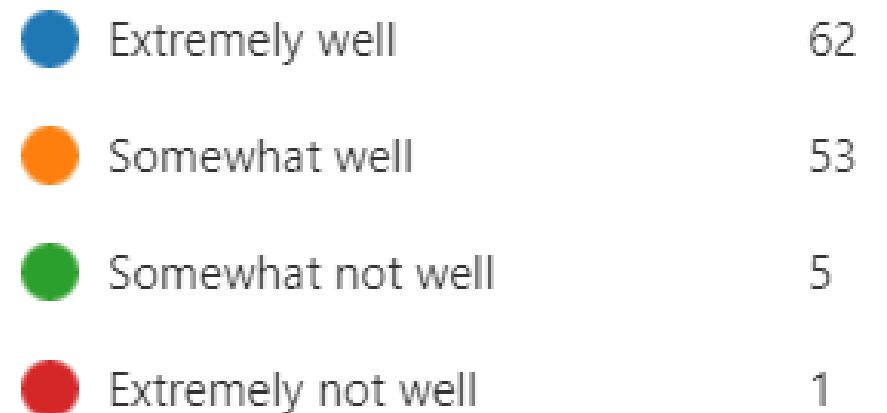

# Welcome Tom Ferree!

Parent to daughters in  
classes of 2020 & 2023

I love overhearing the warm, supportive, and awesome teachers!

Health Screening Form

Recruitment Team Members helping with Summer Camps MUST take their temperature and complete a health screening form prior to arriving at AHS . You may complete the form via tablet or phone. Here is the link [COVID-19 Health Screening Form](#)

## Summer Reading

Hello Ladies! I know your fabulous English teachers require you to purchase your own copy of your summer reading and other required reading, so you can actively read and annotate. However, the media center will also purchase a print copy, eBook, and audiobook of each required title. This helps you out if you forget your copy for class OR if you are an auditory learner and want to listen and read at the same time! You can go ahead and assume the media center has a print copy, eBook copy, and audiobook for each of your summer reading titles except for the following Positive a memoir -no eBook available (we do have the audiobook and print) The Overachievers... -no audiobook available (we do have eBook and print) The Honk and Holler Opening Soon -no audiobook available (we do have eBook and print) A Summer of Kings -no audiobook available (we do have eBook and print) If you need help this summer accessing the eBooks or audiobooks, please don't hesitate to email Mrs. Lasley!

Free Access to Newest Fiction Titles!

Hi girls! You may not know this, but many of our most popular fiction books come to us from Junior Library Guild! Right now, they are offering us FREE ACCESS to EVERYTHING, through May 31 st. I know many of you are missing access to our books. Here is one way you can get to the newest fiction and keep reading! Click the link below and choose "High School Stream". # PowerSchool

- Most of you set up an account in March when you paid your registration fee. *Directions are on the Class of 2024 page on the website.*
- If you've forgotten your username or Password, PowerSchool has a very user-friendly recovery system.
- Parent Account:
  - Set up alerts
  - View your daughter's grades
  - Registration process in the spring

The screenshot shows the PowerSchool login interface. At the top, there's a blue header with the 'PowerSchool' logo. Below it, there are two buttons: 'Sign In' and 'Create Account'. The main section is titled 'Student and Parent Sign In'. It contains two input fields: 'Username' and 'Password'. Below the password field, there's a link that says 'Having trouble signing in?'. At the bottom right of the form, there is a blue 'Sign In' button.

ACCESS ID: Student number begins with 2024 \_\_\_\_  
PASSWORD: Student number begins with 2024 \_\_\_\_

Go to our website [www.ahsrockets.org](http://www.ahsrockets.org), click **Parents** at top of page, then choose **Current Parents**. Under Important Links for Parents select **PowerSchool**

- Click on the PowerSchool link to access the Parent PowerSchool login page.
- Click Create Account with the Create Account button
  - Fill in your information
  - Please put your email address in the **Email** field and create a user name that you will remember in the **Desired User Name** field. *Please note that you cannot have an @ symbol in your username. While the program allows you to enter the @, it is an unrecognized character that will result in you being unable to log in.*
  - Your password must be a minimum of 6 characters. The longer it is, the stronger it is.
- For student name, enter only your daughter's last name.
  - Your daughter's Access ID is her 7 digit Student Number
  - The Access Password is that **same** 7 digit number
- If you have more than one daughter at Assumption, you may add a daughter to your account by clicking Account Preferences on the left, bottom of the page,
  - select the Student tab at the top of the page, then
  - click the blue Add button on the top right of the page. By adding all your daughters who are enrolled at Assumption for the 20-21 school year you will be able to access all of them with this one login.

Multiple parent/guardian accounts may be created for each student; allowing access for mother, father, step-parents, etc. Each account should be set-up with a unique email address, using the student ID number in the Access ID and Access Password fields.

#### After creating your Parent PowerSchool Account and to Finalize the Registration Process:

Registration Form

CLICK **REGISTRATION FORM** on the left side page and complete information. We have filled some of the information based on the High School Placement Test form you completed previously, but we ask you to please update as completely and accurately as possible. Please use your daughter's legal name in the first, middle, and last name fields. Preferred name would be what she prefers to be called (i.e. Katie instead of Kathryn)

1. CLICK **MY SCHOOLBUCKS** to "Get Started" with "Go to MSB" and pay the \$225 registration fee and complete the tuition selection form. Follow the prompts on the page to create an account and pay your registration fee.

Please contact [brent.miller@ahsrockets.org](mailto:brent.miller@ahsrockets.org) if you have any problems or you may contact the school office at 502-458-9551.

About This Class

The College Board has designated APES to be equivalent to a one-semester college course in environmental science. The course is interdisciplinary, covering topics in biology, geology, earth science, chemistry, physics, sociology, political science, ethics, and economics. We will explore the concepts and principles that govern the function of natural systems and focus on the importance of these principles in the understanding and potential solution of environmental and resource issues.

Disciple Article 25/25

Monday, January 22, 20181:13 PM

Great example of discipleship - love this example of passion to help others. Thank you for sharing with me.

After hurricane Maria hit, many citizens from Puerto Rico became homeless and they didn't have electricity. Jason Maddy, a war veteran, decided that the best way to help the community it to help people get supplies and help the people who didn't have shelter. He and other people continued to help others that were affected by the by sending supplies. He launched his own non-profit called Veteran Disaster Relief. Many veterans and formal police officers volunteered to help Jason by bring food, water, and medical care to citizens.

This current event really reminds me of discipleship because Jason had to courage to go to Puerto Rico to help people who were badly affected by the hurricane. He did it out of the kindness and goodness of his heart, it was something that Jesus would have done. He helps others and is non-profit, so he did not care about the money. He cared about the health and lives of the citizens of Puerto Rico. He is also brave for starting the Veteran Disaster Relief, but he inspires many people to help others in need and reminds us that we need to be there for each other.

Homework:

☐ Find a newspaper or magazine article that shows how discipleship is b today.

☐ Type a two paragraph (5-7 sentences each) reflection explaining how discipleship in the world today.

☐ Attach the article or website to your typed reflection.

☐ Post to OneNote under the "Homework" section by next class. Label

☐ Due: \_\_\_\_\_

Welcome to Class of 2020 Guidance Notebook!

CLASS OF 2020

This notebook will stay with you all four years at AHS. Its purpose is to...

- Provide you with easy access to resources (e.g., The Ohana Times, access to copies of important student emails, information about services at Assumption)
- Provide you with a place to track your activities, honors/awards, and service work during your time at Assumption
- Provide you with a place to engage in college and career exploration and planning, and to complete other guidance-related activities

	Damage due to exposure to hazardous or bio-hazardous materials	Exposure to hazardous chemicals, bodily fluids (blood, urine, feces). HP and its affiliated Partners are not equipped nor required to handle bio-hazardous waste.
	Damage due to improper usage	Improper force used on USB/Video/power supply connectors resulting in damage to system board; damage to display due to improper closure of notebook (pen/paper/other item on keyboard when display is closed, tablet is not properly aligned before display is closed); damage to tablet hinges if tablet display is rotated beyond proper usage instructions.

# Examples – What's Covered, What's Not

Category	Potential Situation	Examples
 <b>Normal Wear/Cosmetic Damage</b>	Cosmetic Damage that does not affect functionality	Scratch, dent, blemish, change in color or texture Claims that contain only plastic parts such as top covers and no main components are considered unit refurbishment as these are parts that usually do not fail.
	Damage due to normal wear and tear	Lost 'feet' (rubber feet on device bottom); keys that pop out due to normal usage; monitor screen imperfections, including "burn-in", missing pixels, etc., caused by normal use and operation of the product.
 <b>Covered under other insurance</b>	Damage due to fraud, theft, or loss	Fraud (including but not limited to incorrect, misleading, erroneous or incomplete disclosure of how the equipment was damaged to your adjudicator, servicer or HP), theft, unexplained or mysterious disappearance.
	Damage that is not a result of handling and is typically covered by home/renter/auto/ shipping insurance	Fires, damage caused by a vehicle or homeowner's accident, acts of nature (including, without limitation, floods) and damage caused during Customer shipment of the covered product to or from another location.
	Damage that is a result of acts of nature, acts of God.	Hurricanes, tornadoes, floods, tsunami, and earthquakes.
	Damage due to police action, war (declared or undeclared), nuclear incident, and terrorism	
 <b>Manufacturing Defects *</b>	Potential Safety Incident (PSI)	Damage to the product that clearly indicates that exterior plastics are melted or deformed due to extreme heat or flames or there is an indication of battery pack leakage
	Potential Product Quality Issue	Trend in failure for the same product or an abnormal failure rate.
*If you experience a high rate of units with Potential Safety Incidents (PSI) or Potential Product Quality Issue, please notify your CEM, HP Sales Rep or Self-Maintainer Support to track appropriately
