ASSUMPTION HIGH SCHOOL'S DRUG AND ALCOHOL PREVENTION PARENT GROUP

## Mission Statement

The Rocket Parent Network strives to support and advocate for the health and well-being of our daughters by partnering with families and Assumption High School.

## Vision

**Empower** families as they guide their daughters in today's culture, so that each girl may reach her fullest potential.

**Inspire** students to make healthy lifestyle choices.

**Educate** families regarding risks associated with alcohol, nicotine, and other drugs.

**Create** purposeful programs and events.

**Encourage** and organize volunteer support for RPN programs and events.

**Increase** interest, involvement and understanding of our mission.

## Ways in Which Families Can Support the RPN Mission and Vision

- Do not allow parties or unauthorized gatherings in your home when you are not there.
- Do not serve nor allow any persons under legal drinking age to consume alcohol or use drugs in your home or on your property.
- Call other parents when your daughter is invited to a gathering in order to determine that the event will be supervised, and no illegal activity is allowed.
- Welcome calls from other parents on any concern that may arise with your daughter.
- Remain actively involved in your daughter's life.
- Keep communication lines open with your daughter(s), other parents, and the school.
- Participate in meetings.
- Communicate ideas and topics of interest to the RPN board.
- Remember, you are not alone. If you have questions, concerns, issues; chances are someone else does too. Do not be afraid to reach out.
