

ASSUMPTION HIGH SCHOOL

2018 - 2019

ANNUAL REPORT

PRESIDENT'S PERSPECTIVE

Dear Assumption Community,

It's always exciting to take stock of the past year, especially when it has been so successful. Looking back, Assumption had much to celebrate including two state championships and two national team titles; three students recognized by the National Merit Scholarship Corporation for their outstanding academic achievements; two students achieving a perfect score on the ACT; and one student being selected to play field hockey for TEAM USA.

This past year Assumption also achieved a new milestone. Not only are we the largest all-girls Catholic school in Louisville, but we now hold the distinction of being the largest school sponsored by the Sisters of Mercy of the Americas. While some schools have experienced declining enrollments, Assumption continues to thrive and be the high school of choice for many young women in and around Louisville because of the superior educational experience we provide.

One of the advantages of our size is the ability to offer more for our students. From our diverse and expansive curriculum challenging students at six different academic levels, to our extensive co-curricular program allowing students to learn and lead beyond the classroom, to our amazing athletic teams who compete at the very highest levels, Assumption continues to provide an unparalleled Catholic education for the young women in our area.

Despite all our success though, we never lose sight of what's most important: each individual student. We work tirelessly to create a nurturing environment that celebrates and encourages each young woman regardless of her abilities, interests, and needs. We commit our resources to small class sizes, a low student-to-teacher ratio, and programs that build and maintain a strong community dedicated to the success and achievement of each and every student. This close-knit, inclusive, personalized approach to academic excellence is a hallmark of Assumption.

Our success now and into the future requires a commitment to continually enhance the educational experience we offer while balancing these improvements against growing tuition costs.

To that end, AHS has committed to increasing the amount of financial aid provided each year and expanding our scholarship offerings to make Assumption more affordable for families. We are proud of the fact that this past year, we provided an all-time high of almost \$1.2 million in assistance supporting 25% of our student body with financial aid and need-based scholarships. This would not have been possible without you.

We have also made significant investments in our facilities over the past few years. Some are noticeable like the renovations to our media center, restrooms, main office, athletic offices, and the addition of the beautiful new turf at the Green. Others are unseen but just as important, including several measures to reduce energy consumption and be more sustainable, like converting to LED lighting throughout the school and investing in an automated system for controlling our HVAC. In the past several years, Assumption has invested over \$2,000,000 into our buildings and grounds alone.

But we aren't content to stop there. Looking back at past accomplishments is always affirming, but looking forward to future challenges is what makes a great school even better. As we look ahead, we will be announcing a dynamic plan that has been five years in the making which will not only transform our campus but every aspect of our school as well. The future for Assumption is bright, and we look to you—our alumnae and past and present parents, donors, and friends—for your continued support as we pursue this future together.

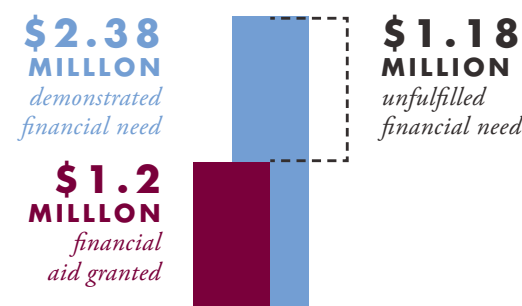

Mary Long

AREAS OF SUPPORT

For more information on the areas of support below, please contact the Office of Advancement at 502-458-6258 or Michelle Farmer at michelle.farmer@ahsrockets.org.

The Fund for Assumption

A contribution to the Annual Fund allows Assumption to utilize your gifts where they are needed most. The Fund for Assumption serves as a critical source of funding for the school's highest priorities. Financial assistance to many of our students demonstrating need is one of our largest funding priorities.

Scholarships

There are 32 named scholarships available to students, most which have been established in tribute to community members. These scholarships are awarded annually to students through an application process.

Programs

Gifts to specific programs enhance Assumption's resources for classes, technology, clubs, activities, and extracurriculars such as the four-year retreat experience, service programs, athletics, the learning differences program, the BLOOM Theatre Project, art and music programs, the McCauley Scholars program, and Mission Week.

Faculty and Staff

Gifts supporting our ability to provide competitive salary packages and provide professional development are critical to attracting the best talent and retaining outstanding faculty and staff.

Campus Enhancements

Gifts made to developing our campus ensure our students are receiving the best educational opportunities possible. Enhancing the Assumption campus creates a positive environment for our students and their learning experience.

**SPECIAL THANKS TO OUR GENEROUS SUPPORTERS WHO
FUND SCHOLARSHIPS FOR ASSUMPTION STUDENTS**

2019 ROCKET SPECTACULAR

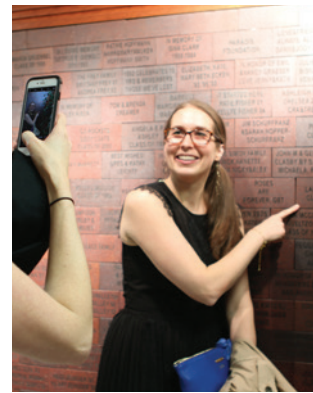

**RAISED A RECORD-BREAKING
\$264,000 FOR STUDENTS'
FINANCIAL NEEDS!**

Sponsor a Student alone raised over \$91,000!

**SOLD OUT CROWD WITH
465 GUESTS IN ATTENDANCE!**

"We went to the Rocket Spectacular to have a good time with friends and to support Assumption. We left feeling humbled and inspired by so many of the amazing people present that evening. We are truly blessed to be a part of the Assumption family."

Drs. Colleen and Akbar Nawab

**THE COMMUNITY
OF ASSUMPTION IS
GRATEFUL TO OUR
MANY VOLUNTEERS
LEADING UP TO
THE EVENING AND
WORKING THE NIGHT
OF THE EVENT.**
