

CELEBRATING 65 YEARS OF
ASSUMPTION HIGH SCHOOL

ANNUAL REPORT

2019 - 2020

PRESIDENT'S PERSPECTIVE

Dear Community of Assumption,

Ending one year and beginning another naturally lends itself to a time of reflection and contemplation. Although this past year has been anything but normal, I am reminded time and time again that the 65-year history of our mission of educating young women to be the leaders of tomorrow not only prevails even in the most uncertain of times, it will also continue to thrive well into the future.

As I look back on this past year, I am filled with gratitude for the many blessings bestowed on Assumption High School even amid these challenging times. I was reminded of how blessed we are as a community during our recent Thanksgiving Prayer Service where students, faculty, and staff acknowledged the people in their lives who have made a difference. Whether it was a daughter thanking her mom for supporting her through a rough spot in her life or a teacher recognizing the student who comes to her aid when technology fails her, the power of gratitude has a widening effect. Like a pebble in a pond, the ripple effects touch all those around it. These magic moments, as I like to think of them, help me to appreciate the many small joys that are happening each and every day here at Assumption.

Of course, in looking back over the year, I am especially grateful for the many donors and supporters who make it possible to look forward to a bright future with hope and excitement. **Because of you we continue to grow and thrive!**

As we celebrate our 65th anniversary and work to reach new heights for Assumption High School, we were humbled to have received a **transformational \$1 million gift**. In this issue, you will read about the Marshall family and what inspired them to make this extraordinary investment in Assumption and our Launching the Future Campaign. I'm proud to say that we are on course to reach our \$8 million campaign goal – a campaign which will have a profound and lasting impact on AHS and the education we offer now and into the future.

When you invest in Assumption, you invest in a mission-driven Catholic education that challenges young women to be guided by faith, inspired by compassion, grounded by integrity, and empowered by excellence. Now more than ever, we need to empower women to stand up not only for themselves but also for those around them, and to truly be a force for good in the world.

Perhaps even more than your financial investment, I am most grateful for the faith you have in Assumption's mission and its ability to shape our future in profound ways. I can look back with a sense of pride and accomplishment and forward with great excitement about the new possibilities that await AHS. For this, I am deeply grateful.

Sincerely,

Mary Long
PRESIDENT

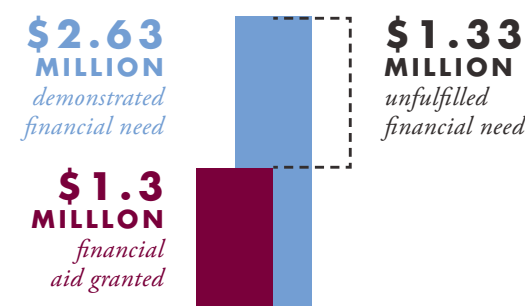

YOUR generosity MAKES A difference

2019-2020 SCHOOL YEAR

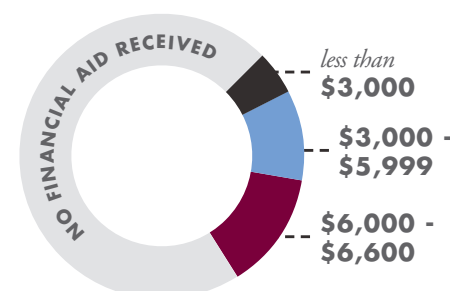

FINANCIAL AID NEEDS

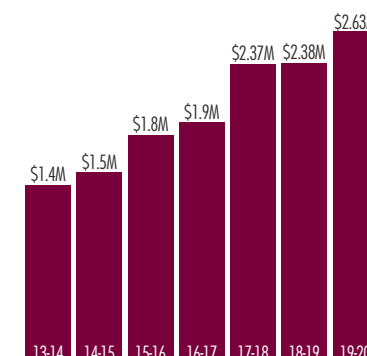

FINANCIAL AID AWARDED

for entire student body

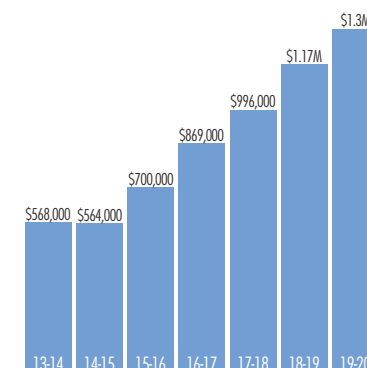

DEMONSTRATED NEED

Total need for families who qualified for financial aid

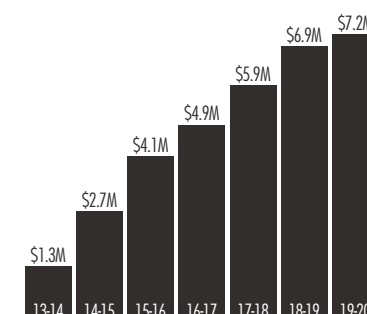

ASSISTANCE AWARDED

Including financial aid as well as merit-based scholarships

ENDOWMENTS

Fair market value of endowments as of June 30 each year

The Marshall Family Foundation

GIFTS \$1 MILLION

TO ASSUMPTION HIGH SCHOOL

The Marshall Family Foundation, founders Phillip H. Marshall, Jr., April Marshall, and Deborah Marshall, gifts \$1 million to Assumption High School as part of the school's \$8 million Launching the Future Campaign, the largest campaign in the school's history.

The Marshall Family chose to invest in this expansion and renovation project because of their strong belief in the importance of Assumption High School's commitment to developing each student as a whole person in mind, body, and spirit. The foundation's mission is to promote, support, and improve the Louisville community through philanthropic gestures with a primary focus on local charities. Their gift will allow for an array of additional resources with lasting benefits for the success of young women in today's world.

Kylie Marshall-Bohn '10, daughter of April Marshall, shared, "My alma mater instilled in me the importance of faith, compassion, integrity, and excellence which prepared me for the future and enabled me to achieve my goals successfully. The curriculum at Assumption goes way beyond textbooks. I learned to be a more spiritual young woman, and I came to recognize the importance of compassion for helping others in our community. Our family is proud and blessed to be a part of the future successes of young women at Assumption and the exponential effect this will have in their lives."

Launching the Future of Assumption High School went public in June 2020. The \$8 million campaign includes \$6 million for the campus expansion and \$2 million for growth in the school's endowment. With \$2 million left to raise, the Marshall family urges others to consider donating to help complete the campaign. "We are deeply grateful for the generosity and vision of the Marshall family for the profound influence this gift will have on the future of Assumption High School. Their investment and trust in our mission of educating young women will touch students today and for many generations to come," stated Mary Lang, president of Assumption High School. The expansion project will transform the campus of Assumption High School into one of the region's pre-eminent educational institutions. Building on the rich legacy of the school, the newly designed facilities will add nearly 35,000 square feet of space, including a new main entrance, lobby, cafeteria, kitchen, administrative offices, chapel as well as ten new instructional classrooms.

April W. Marshall, Phillip H. Marshall, and Deborah G. Marshall

This, in turn, will pave the way for significant renovations in the current school building, including a new and expanded Learning Differences Center, more science classrooms and labs, a new center for visual arts, and designated space to accommodate the school's growing engineering curriculum and aviation program. This expansion and additional renovations are slated to be completed in the fall of 2021.

"I am so happy I chose to go to Assumption for my high school experience," said Sidney Marshall-Skaggs '23, daughter of Deborah Marshall. "My teachers challenge me every day, and my fellow students have become my second family. I can't wait to use the knowledge and skills I am now gaining at Assumption to become the best version of myself. I know I will succeed and have a bright future as a strong, successful woman. I am excited to be here during the construction and I look forward to experiencing it when it is complete."

For more information or to support the Launching the Future for Assumption High School Campaign, visit www.ahsrockets.org/launchingthefuture or contact Michelle Farmer at 502-271-2518 or michelle.farmer@ahsrockets.org.

— THANK YOU —

TO ALL LAUNCHING THE FUTURE CAMPAIGN DONORS

as of November 30, 2020

***For 2020, there are special tax rules that favor charitable cash contributions. An extra \$300 deduction is allowed on top of the standard deduction for those filers who do not itemize on their returns. For donors who itemize, there are no percentage limitations this year, and donations can fully offset a person's adjusted gross income. In addition, some creative giving options are available in connection with an individual retirement account (IRA). Please contact the Assumption Development office or consult with your personal tax advisor for more guidance.*

AREAS OF SUPPORT

For more information on the areas of support below, please contact the Office of Advancement at 502-458-6258 or Michelle Farmer at michelle.farmer@ahsrockets.org.

The Fund for Assumption

A contribution to the Annual Fund allows Assumption to utilize your gifts where they are needed most. The Fund for Assumption serves as a critical source of funding for the school's highest priorities. Financial assistance to many of our students demonstrating need is one of our largest funding priorities.

Scholarships

There are 34 named scholarships available to students, most which have been established in tribute to community members. These scholarships are awarded annually to students through an application process.

Programs

Gifts to specific programs enhance Assumption's resources for classes, technology, clubs, activities, and extracurriculars such as the four-year retreat experience, service programs, athletics, the learning differences program, the BLOOM Theatre Project, art and music programs, the McAuley Scholars program, and Mission Week.

Faculty and Staff

Gifts supporting our ability to provide competitive salary packages and provide professional development are critical to attracting the best talent and retaining outstanding faculty and staff.

Campus Expansion

Gifts directed to our campus ensure our students are receiving the best educational opportunities possible. Enhancing the Assumption campus creates a positive environment for our students and their learning experience.

In Memoriam

Our deepest sympathy to the following members of the Assumption community and their families.

Former faculty member **Tim Warren** passed away on November 4, 2020. He taught at AHS from 1998 to 2010 as a Chemistry and Physics teacher and will be remembered for his kindness and compassion. His wife shared with us that he cherished his time at Assumption.

Ruth Thomas Billings Luckey '58, Norma Thomas Coon '63, Nancy Thomas Langan '67, and Linda Thomas Coke '72 on the death of their sister; Marian Myers Griffin '82, Michelle Myers Koester '84, Monica Myers Pemberton '90, Katherine Langan Bartosik '98 on the death of their aunt; and to the Class of 1979 on the death of their classmate, **Susan Thomas Glass '79**, on August 19, 2020.

Martha Boone Wilkinson '61 and Mary Jean Boone Williams '72 on the death of their sister and to the Class of 1960 on the death of their classmate, **Patty Boone Voyles '60**, on November 11, 2020.

Rose Ragle Mattingly '62 on the death of her sister and to the Class of 1958 on the death of their classmate, **Dottie Ragle Hofstetter '58**, on November 20, 2020.
