From The Office of Advancement

Assumption High School will conclude an \$8 million fundraising effort by December 31, 2021. *Launching the Future* is the largest campaign that Assumption has embarked on since opening our doors in 1955. Six million dollars of this philanthropic effort will improve our facilities to confront our space limitations, and \$2 million will increase our endowment to provide greater financial assistance to our students. Both initiatives reflect our unwavering commitment to make an exceptional educational experience available to all young women.

As of October 1, 2021, the campaign has raised close to \$7.9 million. Gifts to this effort have come in many forms from gifts of property, stock, cash, and pledges paid over five years. Donors have chosen to support the project by naming spaces, including the Marshall Family Atrium, the Otte Cafeteria, the beautiful stained glass and Chapel, the Ott Family Foundation Guidance and Counseling Center, as well as 15 workspaces and classrooms. Donors have also chosen to endow scholarships that will have a lasting impact for our future Rockets.

You will see as you read through the Annual Report that we have included several inspiring stories of individuals or families that have supported *Launching the Future*. You may have heard about them previously, but we wanted to make sure you didn't miss them along with a couple of new stories about the significant impact that each one of them has had.

Guided by faith, supported by our community, and inspired by the legacy of the sisters of Mercy, we commit ourselves to an even greater future of promise for our students and graduates as they move forward into a world in which they will be effective servant leaders.

We owe our deepest gratitude to the unwavering generosity, dedication, and loyalty to our alumnae, past and current parents, and many friends of Assumption who have contributed to this campaign.

As we strive for success in reaching our \$8 million goal, we hope you will join us in making this a reality.

FOR MORE INFORMATION ON HOW YOU CAN BE A PART OF LAUNCHING THE FUTURE, PLEASE CONTACT MICHELLE FARMER, EXECUTIVE DIRECTOR OF ADVANCEMENT, AT 502-271-2518 OR MICHELLE.FARMER@AHSROCKETS.ORG.

MICHELLE COKE FARMER '94
Executive Director of Advancement

We have worked diligently in compiling and verifying the donor listings, and every effort has been made to ensure complete and accurate information for the time period of July 1, 2020 - June 30, 2021. Please contact the Office of Advancement at 502-458-6258 or give@ahsrockets.org with any questions.

Launching the Future of Assumption High School will enhance all aspects of an Assumption education. The campaign addresses our current needs and prepares us for the future so that we can remain at the forefront of educational excellence and innovation. The campaign focus is on growing the school's endowment for scholarships and financial aid and improving our current facilities. The campaign began in July 2018 and will conclude December 31, 2021. For more information, please contact Michelle Farmer at 502-271-2518 or michelle.farmer@ahsrockets.org to make a lasting impact. We are grateful for the generosity to the following donors.

MARSHALL FAMILY ATRIUM

The Marshall Family Foundation, founders Phillip H. Marshall, Jr., April Marshall, and Deborah Marshall, gifts \$1 million to Assumption High School as part of the school’s \$8 million *Launching the Future Campaign*, the largest campaign in the school’s history.

The Marshall Family chose to invest in the expansion and renovation project because of their strong belief in the importance of Assumption High School’s commitment to developing each student as a whole person in mind, body and spirit. The foundation’s mission is to promote, support, and improve the Louisville community through philanthropic gestures with a primary focus on local charities. Their gift will allow for an array of additional resources with lasting benefits for the success of young women in today’s world.

Kylie Marshall-Bohn ’10, daughter of April Marshall, said, “My alma mater instilled in me the importance of faith, compassion, integrity, and excellence which prepared me for the future and enabled me to achieve my goals successfully. The curriculum at Assumption goes way beyond textbook. I learned to be a more spiritual young woman, and I came to recognize the importance of compassion for helping others in our community. Our family is proud and blessed to be a part of the future successes of young women at Assumption and the exponential effect this will have in their lives.”

“I am so happy I chose to go to Assumption for my high school experience,” said Sidney Marshall-Skaggs ’23, daughter of Deborah Marshall. “My teachers challenge me every day, and my fellow students have become my second family. I can’t wait to use the knowledge and skills I am now gaining at Assumption to become the best version of myself. I know I will succeed and have a bright future as a strong, successful woman.”

CHAPEL

In memory of Nick Simon

Nick Simon was a philanthropist in the finest sense. He truly loved and supported many organizations in the Louisville area but was especially devoted to Catholic education and Assumption High School. As a past parent, he supported Assumption’s mission in many ways, including serving on our Board of Directors for many years.

It is only fitting that the Simon and Montgomery families chose to honor Nick’s legacy with a lasting presence on Assumption’s campus. One donor said “Nick loved Assumption and thoroughly enjoyed the experience of three women in his family graduating from AHS. He was honored when he was asked to join the Board of Directors. Though he was failing in health, he would not miss a meeting.”

Our new chapel was named in memory of Nick Simon as part of the *Launching the Future Campaign*. Our donor explained, “I am impressed with the spiritual direction Assumption fosters in its students. Grounded in the Catholic faith and its traditions, the students are encouraged to build their unique and personal pathway to God. This personal ownership of a relationship to God sustains and supports young women as they go through the joys and sorrows that are an inevitable part of life. A chapel is a place of quiet, an antidote to a too busy world. Within its walls, there is a heightened opportunity for gratitude, healing, and just quietly being in the presence of God and the communion of saints.”

The chapel will serve as a dedicated spiritual space for prayer for students as well as prayer groups, parent retreat programs, and alumnae worship gatherings. The Simon and Montgomery families were inspired to make this gift based on their own experience with Assumption. “I witnessed my daughter who attended and graduated from Assumption with self-confidence, a love for learning, a sense of personal possibility, and an awareness of those who are marginalized. Upon graduation, she received the Outstanding Christian Leader Award, which was an honor. Eventually, she incorporated this passion for helping others in her work with several nonprofits.”

STAINED GLASS

Donated by two grateful parents

On Thursday, August 5, Most Reverend Joseph E. Kurtz, D.D., Archbishop of Louisville, joined Assumption High School board members, leaders, donors, and capital campaign committee members to bless and dedicate the school’s campus expansion.

The beautiful stained-glass window that spans 25 feet and is 17 feet high is the featured element of the school’s new Chapel and a focus overlooking the atrium. The window, titled “*Becoming*”, was created by local artisan Guy Kemper and was donated by two grateful parents, who wish to remain anonymous. Guy Kemper’s ties with the school began when he lived across from Assumption as he attended St. Raphael Catholic Church.

By the “YES” of one woman, the world was changed forever. Mary’s Assumption into heaven celebrated a bold, powerful woman who lived her life “fully alive” as the person God created her to be. High school is a time of transformation – each young woman is called to develop her gifts so she can bring God’s love and light into the world. Catherine McAuley and the Sisters of Mercy made it their life’s mission to educate young women so they would do just that. Catherine McAuley noted, “No work of charity can be more productive to the good of society than the careful instruction of women.” Since 1955, Assumption High School has carried on that tradition, recognizing the dignity and worth of every young woman, helping them to develop their unique gifts, and encouraging each student to be a shining lamp who shares that light with the world.

The donors have dedicated this window to the staff and students of Assumption High School – past, present, and future. May they continue to let their light shine.

The stained glass was fabricated by Rahmi Schulz at Derix Glasstudios in Taunusstein, Germany, and shipped to Assumption. The installation of the glass took a several days as each panel had to be carefully lifted and placed into its new home. The install was complete on May 28, 2021.

In 1999, Guy began collaborating with master glass blowers and craftspeople, experimenting with both ancient and cutting-edge techniques to make work that has garnered worldwide acclaim.

His work has been published, exhibited, and collected in the United States, Europe, Japan and the Middle East and been the subject of three documentary films. Projects include Chicago O’Hare, Baltimore/Washington, Orlando, Nashville, and St. Pete/Clearwater airports, Mt. Baker rail station in Seattle, and the Catholic Memorial at Ground Zero in New York.

Guy lives and works on his 95-acre farm of cliffs and waterfalls in Woodford County, Kentucky.

OTT FAMILY FOUNDATION

GUIDANCE AND COUNSELING CENTER

Although it has been 44 years since Sherry Miller Ott '77 graduated from Assumption High School, her fondness for and support of her alma mater has never waned. “My love and appreciation for those four years seem to grow stronger as time passes,” stated Sherry. As a result of their belief in the mission and leadership of Assumption, Sherry and her husband Matt volunteered to serve on the *Launching the Future Campaign* committee. Based on the impact of this experience, they decided to name the Ott Family Foundation Guidance and Counseling Center.

Sherry reflected, “When the time came for me to go to high school, I wasn't one of those kids who was overly excited about going to Assumption. Most of my friends were going to other high schools.” It didn't take long

for the excitement to kick in for Sherry. “After a very welcoming big sister and the warmth and friendliness of the teachers and other students, it wasn't long before I was won over.”

“I had Sr. Michaela Clasby for history and unfortunately, yes, I had her after-school detention sessions, too! She taught me so much about being accountable for my actions, but mostly she taught me how to love myself. She was encouraging and funny and she knew how to guide me without squelching my spirit. Everyone needs a little guidance along the way, especially during the formative high school years.”

Continuing Assumption's work to provide a superior education for young women is a priority for Sherry. “It's important to Matt and me to give back and extend a helping hand when we can. We know how important a Catholic education can be. In this day and age, with the chaos in the world, we feel helping others to receive a Catholic education is an impactful way to aid young, impressionable teens.”

Assumption's guidance and counseling center is staffed with four guidance counselors who work with the students individually upon entering their freshman year and remain with them until they graduate. In addition, there are two college admissions counselors who advise students and parents on college planning from freshman year on. The Otts felt that by directing their gift to support this center was a meaningful way for them to have a direct impact in empowering young women for a strong future.

OTTE CAFETERIA

Frank and Sheila Hargadon Otte '59 are known for their generosity in the Louisville community and support many organizations. But one cause in particular was at the top of their list of philanthropic priorities – Assumption High School's *Launching the Future Campaign*. Because of their generosity, Assumption was able to create a new cafeteria and gathering space.

Why was a major gift to Assumption so important? Sheila credits her high school experience with teaching her perseverance, a character trait and skill set that has seen her through a great deal of adversity. “I was able to persevere over the years dealing with caring for and then losing my husband, being a good step-mom to a handicapped child, and facing my own near-death experience through illness.” Sheila knows that if it weren't for everything she learned at Assumption, “I would never have been able to get through them with grace.”

Sheila's path to perseverance began before her freshman year even started. All of her cousins had gone to another high school which was closer to her home, but her dad encouraged Sheila to check out Assumption. However, getting there would be a challenge. Her hour-long commute both to and from school each day involved walking half a block to wave down a Greyhound bus, riding it to the corner of Bardstown Road and Grinstead Drive, and transferring to a city bus that took her to Assumption. Such an arduous commute might have kept others from choosing AHS, but because she “fell in love with the classmates, teachers, and the whole atmosphere” of the school, Sheila felt it was worth the challenge.

Of course, Sheila's memories of high school involve far more than just difficult bus rides when it was raining or cold. Even though she came from a large, close family, she still treasures to this day the trust and friendship she experienced at Assumption. “From working together on class projects in biology, struggling over the correct pronunciation of French words, or hanging out with the bowling team,” she developed lifelong friendships and a strong sense of pride in and loyalty to her school.

Today, having a larger cafeteria means fewer lunch periods and more time during the school to allow for critical master schedule changes needed to advance our academic goals and expand our curriculum. It also provides a larger space for our current students, alumnae, and parents to gather—a much needed addition to our campus.

Through their gift to Assumption, the Ottes were able to support current and future students as they build cherished friendships while growing in character and perseverance. Sheila encourages other alumnae to do the same. “When I stop and realize the many blessings I have reaped from my four years there, I bless the Sisters of Mercy and the lay teachers who encouraged us, taught us manners, self-discipline, and how to be good citizens. To all of them I say – let me show you my thanks by giving back even in some small way.”

Mary Hargadon '61 and Sheila Hargadon Otte '59

ANNUAL FUND ALUMNAE GIVING BY CLASS

Gifts from our alumnae demonstrate their confidence in the future of Assumption. Alumnae who contribute are showing their gratitude for the education they received and are ensuring that future young women have the same opportunities. The AHS community is grateful to the following alumnae for their generous gifts made between July 1, 2020 and June 30, 2021. This listing does not reflect gifts made to the *Launching the Future Capital Campaign*. Those gifts are acknowledged on pages 5 and 6.

The Community of Assumption is comprised of current and past parents, current and past grandparents, businesses, faculty, staff and friends of Assumption. The community members who have contributed are showing their belief in the work that we do to educate current and future young women. We are grateful to the following donors for their generous gifts made between July 1, 2020 and June 30, 2021. This listing does not reflect gifts made to the *Launching the Future Capital Campaign*. Those gifts are acknowledged on pages 5 and 6.

SCHOLARSHIPS

Providing a scholarship impacts many of our students and their families in a profound way by relieving some of the financial burden. Special thanks to our generous supporters for funding these scholarships for our students. Many are endowed, and the principal investment is held in perpetuity so that the vision of the donor will continue to make a difference at Assumption in the future.

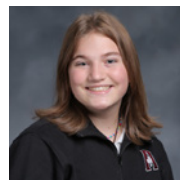

For more information about creating a scholarship, please contact Michelle Farmer, Executive Director of Advancement, at 271-2518 or michelle.farmer@ahsrockets.org.

Most of us can recall at least one memory from the first day of high school: new uniforms, new school supplies, excited anxiousness, and perhaps much more. Very few have the shared memory of entering a brand new school as the institution's first students. For Kathie Hoffmann, those emotions and memories are just as clear today as they were in September of 1955 when she began at Assumption.

"Because it was the first year AHS opened its doors, all of the students spent time getting to know one another and find our way around, so there isn't any one particular memory that stands out. The many memories that we created in the next four years were so impactful on my experience as a student. It's amazing to me: now in my 80th year, how I remember things that happened in 1955 like it was yesterday," Kathie stated.

Last year, Kathie and her husband, Jim, decided to create a lasting scholarship endowment as part of the *Launching the Future Campaign*. Two students entering AHS in 2021 will be awarded a \$5,000 scholarship which is renewable for each of their four years as AHS students.

New \$5,000 scholarships will be awarded every four years thereafter. "We had talked about giving back in a meaningful way for several years. By reading the newsletters through the years, I have become so impressed with the many wonderful things taking place at AHS. Jim and I had several serious discussions about the possibility of two scholarships, and he really encouraged me to establish the endowment. The thought of our names 20 years from now still having a presence and helping students at AHS makes me smile. Knowing that this scholarship endowment will help two students and their families through all four years makes us feel proud of our investment."

"NO MATTER HOW LONG YOU LIVE, YOU WILL ALWAYS REMEMBER THOSE FOUR YEARS AT ASSUMPTION - FOUR YEARS IN OF YOUR LIFE THAT COULDN'T BE BETTER," CONCLUDED KATHIE.

Mary Alice Lawler '60

THE LAWLER LEGACY

Mary Alice Lawler, a proud member of the Class of 1960, touched many lives as a Catholic school educator for over 40 years. Because of her commitment to Catholic education and visionary foresight in planning, she was able to leave behind an amazing legacy when she passed away in August 2020. A woman guided by faith, she humbly and generously left an estate gift to Assumption that will continue to have a lasting impact on the education of young women for years to come. Generations of future students will benefit from her inspired investment in the *Launching the Future* of Assumption High School capital campaign.

Just as Catherine McAuley empowered and educated women in the 19th century, Mary Alice's legacy is doing the same for the current and future students of Assumption High School. Her gift represents to us the faith, pride, and trust that she had in her alma mater. Like Catherine, she too is a "shining lamp, giving light" to so many around her, and her spirit will live on through her generosity, compassion, and commitment to education. As a reminder to our community of her "light," a new classroom in the expansion will be dedicated in Mary Alice's memory.

May she always know, in spirit, how impactful her gift is in securing the mission of Assumption today and well into the future.

AREAS OF SUPPORT

For more information on how you can make an impact at Assumption, please contact the Office of Advancement at 502-458-6258 or Michelle Farmer at michelle.farmer@ahsrockets.org.

The Fund for Assumption

A contribution to the Annual Fund allows Assumption to utilize your gifts where they are needed most. The Fund for Assumption serves as a critical source of funding for the school's highest priorities. Financial assistance to many of our students demonstrating need is one of our largest funding priorities.

Scholarships

There are 36 named scholarships available to students, most which have been established in tribute to community members. These scholarships are awarded annually to students through an application process.

Programs

Gifts to specific programs enhance Assumption's resources for classes, technology, clubs, activities, and extracurriculars such as the four-year retreat experience, service programs, athletics, the Learning Differences program, the BLOOM Theatre Project, art and music programs, the McAuley Scholars program, and Mission Week.

Faculty and Staff

Gifts supporting our ability to provide competitive salary packages and provide professional development are critical to attracting the best talent and retaining outstanding faculty and staff.

Capital Campaign

Launching the Future of Assumption High School will enhance all aspects of an Assumption education. The campaign addresses our current needs and prepares us for the future so that we can remain at the forefront of educational excellence and innovation. Our focus is on the growing school's endowment for scholarships and financial aid and improving our current facilities.
