

## **J.B. and Erica Kalbhin Holmes '05 Scholarship**

This scholarship was established by Erica Kalbhin Holmes '05, an alumna of Assumption High School and her husband J.B. Holmes. In her time at Assumption, Erica was involved with SALT (Service Action Leadership Team), BETA Club and served as a Peer Leader. Erica believes that attending AHS gave her the confidence to take chances and risks in life and learning. AHS allowed her to experience the power of a community. "Knowing I was supported gave me the confidence I needed to succeed in life after graduation. It is my wish to pass on this experience to other young students. I want them to help others by participating in community service. It is through my community service that I realized how blessed I am".

This \$2,500 scholarship will be awarded to two **incoming freshmen** who meet the following criteria and will be applied to their tuition for the following school year:

- Students(s) must demonstrate need and apply for aid based upon the School's formal financial aid application process.
- Maintain a B average or above.
- Demonstrate leadership by performing an additional 5-10 hours of community service during their freshman year beyond the requirement of AHS.
- Applicants should be positive role models both in and outside of school; good representatives of AHS values; and be in good academic and disciplinary standing and not have any significant attendance issues.

The attached **application along with an essay and two recommendations** must be completed and returned by the deadline. The essay should explain why the student feels she fits the criteria for the scholarship, and how she demonstrates service and leadership in the community and what the scholarship means to her as a possible recipient. The essay should be two to three double-spaced pages.
