

Tina Wulf Winter '70 Memorial Scholarship

In an endeavor to honor and remember Tina Wulf Winter '70, her family has established a scholarship fund in her name. Tina excelled academically, held several leadership roles, and was very involved in clubs during her years at Assumption. She had a passion for science specifically in the field of medicine. After graduation she obtained a nursing degree, but always regretted not pursuing a higher degree in medicine.

- Applicants should be positive role models both in and outside of school; good representatives of AHS values; and be in good academic and disciplinary standing and not have any significant attendance issues.
