

Purpose:

The purpose of this scholarship is to acknowledge and memorialize Angela BecVar's short and significant life of twelve years. She overcame many medical hurdles and developed into an engaging personality with a strong spirit. Angela enjoyed family, friends, sports, and animals. Her laughter was contagious and spontaneous. She was interested in everything around her, inquisitive, and sensitive to others. She was a strong-willed and determined child. Her determination to overcome adversity was evident in her efforts in the classroom, her participation in athletics, and in life. This scholarship is intended to honor her memory and to serve as motivation for young women to strive for their goals and continue their efforts to achieve, even when faced with adversity. The first scholarship was awarded in the 2003-2004 school year to honor what would have been Angela's freshman year at Assumption.
