

Nourishing a Brighter Future

Dear Families of Assumption High School

Flik Independent School Dining is pleased to be a part of the Assumption High School community. We are the United States' premier provider of food services for over 275 private and independent schools.

We are committed to providing quality foodservice at every meal. Our meals are prepared from fresh ingredients and support local and sustainable agricultural practices. We go above and beyond foodservice by offering nutrition education that empowers students to make healthy choices on a daily basis.

We look forward to partnering with your unique community to ensure our menus and offerings are exceeding your expectations. In addition, we know many families are concerned about the dining experience during the COVID-19 crisis. Our company's resources and real-time experiences serving students and clients today has given us the ability to create requirements and guidelines to ensure a safe and transparent program for the entire community, including the Flik associates. Service styles, seating and menus may look a bit different upon opening, but the quality and friendly service we are known for will never waiver.

Please take a moment and sign up for the dining program by mailing in the form, or signing up on-line at <https://www.myschoolbucks.com/>. To view the menus, you can go to <https://ahs.flikisdining.com/>. There you will find more information on our programming and menus.

Flik is looking forward to providing an enjoyable and exciting dining experience to students at Assumption High School.

1. Send in a check with your student to give to the cashier in the Dining Hall in the morning.
2. Drop off a check at the front office for delivery to the Flik mailbox.
