# ASSUMPTION HIGH SCHOOL MISSION STATEMENT

Rooted in the values of Jesus Christ and the spirit of the Sisters of Mercy, Assumption High School, dedicated to the development of the whole person, educates young women in a Catholic community where  
faith guides,  
compassion inspires,  
integrity matters, and  
excellence empowers.

## Academic Program Prayer

God of All Creation,

We gather today to celebrate the academic achievements of our students. We thank you for the gifts of intelligence, creativity, and hard work that you have bestowed upon them. We also thank you for the loving support of their families, teachers, and friends.

We pray that you will continue to bless these students as they pursue their academic and personal goals this year. Give them the wisdom to use their knowledge for good, the courage to take bold steps, and the commitment to make a difference in the world.

We pray too for those who are not able to celebrate today—those who struggle in mind, body, or spirit. Help us always to remember that apart from awards and recognitions, we are our best selves when we care for others most in need.

We also pray for each of us gathered here today. May we continue to be guided by faith, inspired by compassion, committed to integrity, and driven by the pursuit of excellence.

We ask all this in the name of your son, Jesus. Amen.

*No work of charity can be more productive of good  
to society than the careful instruction of women.*
