

ASSUMPTION HIGH SCHOOL

ANNUAL

REPORT

2022-2023

IN EVERYTHING GIVE THANKS...

1 Thessalonian 5:18

It's such a simple message, yet it perfectly describes how I feel about the work we do in advancing the mission of Assumption High School. As we prepared Assumption's annual report, I caught myself pausing often to give thanks for you and all those who have made so much possible for Assumption students.

Throughout the year, we held several mini giving campaigns focused on our academic programs, facility enhancements, athletic teams, and much more to augment the "Assumption experience." At our 2023 Annual Rocket Spectacular Benefit Dinner and Auction, we raised an all-time high of over \$575,000 for our tuition assistance program. Then later in the spring, we were able to award a record-breaking 58 scholarships to students through the generosity of our donors who chose to endow or create a scholarship. This number continues to grow each year thanks to the belief so many of our supporters have in the power of an Assumption education. Additionally, our alumnae came together this year through the Alumnae Unite campaign and donated over \$75,000 to show their Rocket pride. These are just a few examples of our community banding together, inspiring each another, and strengthening our mission.

In this report, you will find the names of thousands of alumnae, past and current parents, friends, businesses, and organizations who have invested in Assumption and our mission of educating young women. It is through their generous financial support and desire to leave a powerful legacy that we can continue to help families make an Assumption education possible, enhance our facilities, and support our many programs and co-curricular offerings. Unfortunately, this report can't possibly capture the countless hours that our AHS Board of Directors, Alumnae Association Board, committee members, Assumption Parent Organization (APO), Assumption Rocket Men (ARM), and many other volunteers have shared with us throughout the year. This amazing gift of time and talent is a priceless treasure for which we also give thanks.

We remind our students often that it's only because so many individuals support Assumption every day that we can provide them with the life-changing educational experience they enjoy. It is through individual giving and long-term planning that Assumption continues to foster such a strong community where faith guides, compassion inspires, integrity matters, and excellence empowers. Together we ensure that Assumption continues to be the Best Private High School in Louisville, as announced by The Courier-Journal for the second consecutive year! And again, for that and so much more, we give thanks to you.

MICHELLE COKE FARMER '94
Executive Director of Advancement

AREAS OF SUPPORT

ANNUAL FUND

The Annual Fund allows Assumption to utilize your gifts where they are needed most. The Fund for Assumption serves as a critical source of funding for the school's highest priorities. Financial assistance to many of our students demonstrating need is one of our largest funding priorities.

SCHOLARSHIPS

Endowing a scholarship is a meaningful way to celebrate your family or honor a loved one while providing a life-changing Assumption education to a deserving student.

PROGRAMS

Gifts to specific programs enhance Assumption's resources for classes, technology, clubs, activities, and extracurriculars such as the four-year retreat experience, service programs, athletics, the Learning Differences program, the Rose Theatre Company, art and music programs, and the McAuley Scholars Program.

FACULTY AND STAFF

Gifts supporting our ability to provide competitive salary packages and provide professional development are critical to attracting the best talent and retaining outstanding faculty and staff.

ENDOWMENT

Gifts to our endowment ensure our long-term viability and allows Assumption High School to continue to grow and flourish in the future. In addition, as part of our Launching the Future campaign, AHS established the LTF Endowed Fund for Financial Aid specifically designated to grow the amount of tuition assistance offered at Assumption.

PLANNED GIFT

With pre-planning, you can include a gift to Assumption High School within your overall estate or financial plans that impacts the mission of Assumption and provides you not only with a lasting impact, but also tax benefits in return.

For more information on how you can make an impact at Assumption, please contact the Office of Advancement at 502-458-6258 or Michelle Farmer at michelle.farmer@ahsrockets.org.

ANNUAL FUND ALUMNAE GIVING BY CLASS

Gifts from our alumnae demonstrate their confidence in the future of Assumption. Alumnae who contribute are showing their gratitude for the education they received and are ensuring that future young women have the same opportunities. The AHS community is grateful to the following alumnae for their generous gifts made between July 1, 2022, and June 30, 2023.

ANNUAL FUND COMMUNITY OF ASSUMPTION

The Community of Assumption is comprised of current and past parents, current and past grandparents, businesses, faculty, staff, and friends of Assumption. The community members who have contributed are showing their belief in the work that we do to educate current and future young women. We are grateful to the following donors for their generous gifts made between July 1, 2022, and June 30, 2023.

ROCKET SPECTACULAR

RUN FOR THE ROCKETS 2023

The 42nd Annual Rocket Spectacular - Run for the Rockets 2023 was another record-breaking success! With over 500 guests in attendance and through the support of the Assumption Community, we went way over our "finish line" goal. We shattered all previous fundraising records, raising an **all-time high of over \$575,000 (net)** which benefits nearly one third of our student body.

Rocket Spectacular continues to be our largest fundraiser and greatest source of support for our financial assistance program. In just the past three years alone, **we have raised over \$1.3 million** through this event to assist students and their families who demonstrate financial need.

Through our sponsors, donors, many volunteers, and commitment of our community, we create the magic and make an AHS education possible for so many young women!

WHY ESTABLISH
A SCHOLARSHIP
AT ASSUMPTION?

We would like to thank our many benefactors who make these scholarships possible for our students. Because of your generosity, there are many students who would not have otherwise been able to attend AHS. If you are interested in endowing a scholarship, please contact Jackie Bloyd, Advancement Services Manager, at 502-271-2511 or Jackie.Bloyd@ahsrockets.org.

1955 LEGACY SOCIETY

In celebration of Assumption High School and through the vision of the Sisters of Mercy, we continue to educate young women in faith, compassion, integrity, and excellence. The 1955 Legacy Society recognizes those individuals who have taken the special step of including Assumption High School in their future estate plans.

If AHS has had a significant impact on your life or the life of someone you love, leaving a legacy gift is a heartfelt way to honor that impact. A legacy gift allows you to focus on the future while not affecting your current finances. While the support we receive from annual gifts each year is critical, a legacy gift is like a support system we can count on to help us continue our mission for years to come. You can take care of your top priorities—yourself and your loved ones—while supporting and investing in an organization close to your heart. Including Assumption High School in your estate plans is a gift that goes far beyond your lifetime and makes a lasting impact for future generations!

It's easy to invest in the future mission and vision of Assumption High School. Two of the most popular gift types are:

a gift in your will. Setting this up is simple. Add as little as one sentence (often referred to as “bequest language”) saying you want to support Assumption. With the help of your estate planning attorney, you can give a specific amount of cash or securities, a piece of property, or a percentage of your estate.

a beneficiary designation gift. Name Assumption High School as a beneficiary of your retirement plan, IRA, donor advised fund, or life insurance policy. To set this up, you would need to contact your retirement plan administrator, insurance company, or financial institution for a change-of-beneficiary form. On the form, list the percentage you would like to designate to AHS. You can modify beneficiary designations at any time.

We would be honored to work with you on leaving a legacy and making a long-lasting impact. Please contact the Office of Advancement at 502.458.6258 or michelle.farmer@ahsrockets.org to discuss your options.

PLANNED GIVING

Leaving a legacy at Assumption was something that Joyce & Corky Horrell agreed was an easy decision. As an alumna and parents of an alumna, the Horrells both understand the importance of a Catholic education.

For Joyce, her reason ties back to her time at Assumption. Joyce Jones entered Assumption in the fall of 1966. As a member of the Glee Club, theater program, and president of Student Council, Joyce remembers her high school years fondly, recalling the many lasting friendships with her classmates and teachers. However, she also remembers that her time at Assumption was almost cut short during her sophomore year, when her parents were struggling to pay for her tuition. Joyce shares that her grandmother generously stepped in to help cover the cost of her tuition, a decision she is forever thankful for and is the main driving factor in why she gives back.

“High school has gotten expensive. I want the funds to be there to give those girls the same opportunity that my grandmother gave me. I believe Assumption provided a unique learning experience, and I worry that some girls that may want to go can't because of the funds. If I can help in this way, I feel like I am lucky.”

Similarly, Joyce's husband, Corky, remembers his parents stressing the importance of attending a Catholic high school. As one of six children, Corky attended St. Xavier High school, and his sisters attended Assumption, one of which was also a member of the Class of 1970 with Joyce.

For Corky, the decision to give back ties to his roots. “One of the tenants of faith is to leave earth a little bit better than when you got here, and that's all were trying to do.” He added, “Places like Assumption set you up for success in life. They give you the tools to get where you are and provide what you have, and it just makes sense to remember them and give back as you go through life.”

When it came time for their daughter Danielle to attend high school in 2003, Assumption was at the top of their list. As a student, Danielle was involved in the Rose Theatre Company, like her

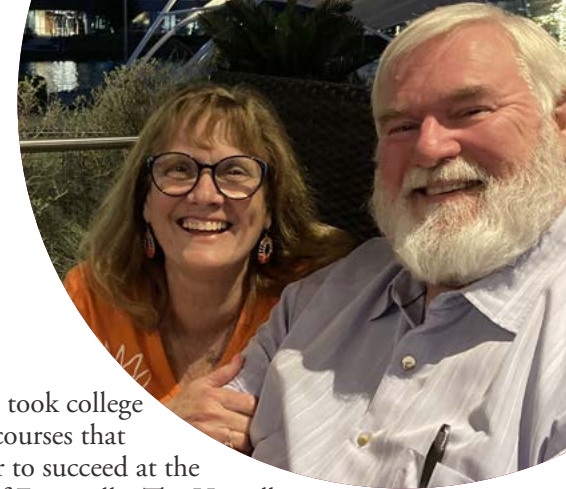

mother, and took college credit prep courses that prepared her to succeed at the University of Evansville. The Horrells shared their daughter now works as a nurse practitioner in Louisville and said, “As a family, we look at Danielle as being very successful, and we attribute that success in part to the opportunities she had at Assumption.”

When asked what Assumption means to her, Joyce said, “To me it provided me the opportunity to be a teacher today because they encouraged me to take the ACT, which was the first step, and exposed me to what college-level curriculum would look like because it was that way at Assumption.”

After many years in the classroom, Joyce now works for the University of the Cumberland mentoring first-time teachers and recently served as a class ambassador for her Class of 1970. Now retired as the Chief Financial Officer of Welch Printing Co., Corky supports Assumption as a member on the Board Finance Committee.

For those considering a planned gift, the Horrells shared, “A planned gift is something that a lot of people can do. It adds up, and it can do a lot of good. It doesn't take a lot of effort to establish a planned gift, it just takes some thought and planning.” They also added, “It's a way to leave this earth and still be doing good for someone else. Keep in mind the blessings you have been given and how can you pass that on to the future generations.”

For more information about Assumption's planned giving society, please scan the QR code below. For those considering a planned gift, please contact Michelle Coke Farmer '94, Michelle.Farmer@ahsrockets.org or 502-271-2518.

THANK YOU

to our 2024 sponsors!

All proceeds benefit the financial needs of our students.
