		FOR ATHLETES:	CONSENT INFORMAT	ION TO PARTICIPATE, A	CKNOWLEDGMENT O	F RISK,

As parent/legal guardian, I agree to allow my child to participate in interscholastic athletics.

The student and parent/legal guardian recognize that participation in interscholastic athletics involves some inherent risks for potentially severe injuries, including but not limited to death, serious neck, head and spinal injuries which may result in complete or partial paralysis, brain damage, serious injury to internal organs, serious injury to bones, joints, ligaments, muscles, tendons, and other aspects of the muscular skeletal system, and

ACKNOWLEDGEMENT OF ELIGIBILITY RULES, LIABILITY WAIVER AND CONSENT AND RELEASE

serious injury or impairment to other aspects of the body, or effects to the general health and well being of the child. Because of the se inherent risks, the student and parent/legal guardian recognize the importance of the student obeying the coaches' instructions regarding playing techniques, training and other team rules. By signing this form, the student and parent/legal guardian acknowledge that the student's participation is wholly voluntary and to having read and understood this provision.

The student and parent/legal guardian individually and on behalf of the student, hereby irrevocably, and unconditionally release, acquit, and forever discharge the KHSAA and its officers, agents, attorneys, representatives and employees (collectively, the "Releasees") from any and all losses, claims, demands, actions and causes of action, obligations, damages, and costs or expenses of any nature (including attorney's fees) that the student and/or parent/legal guardian incur or sustain to person, property or both, which arise out of, result from, occur during or are otherwise connected with the student's participation in interscholastic athletics if due to the ordinary negligence of the Releasees.

The student and parent/legal guardian acknowledge that they have read and understood the KHSAA Bylaws by distribution under the handbook links at http://khsaa.org/. Please be aware that a student is subject to the one-year period of ineligibility the bylaw commonly referred to as the "Transfer Rule," upon participation in any varsity contest regardless of the amount of participation or lack thereof.

The student and parent/legal guardian agree to abide by the KHSAA Bylaws and Due Process Procedure as now enacted or later amended. The student and parent/legal guardian further acknowledge that they agree to abide by the rulings of the Commissioner, Assistant Commissioner, Hearing Officer and Board of Control.

The student and parent/legal guardian acknowledge that the student must have medical insurance coverage up to a limit of \$25,000 in order to be eligible to participate in interscholastic athletics.

The student and parent/legal guardian, individually and on behalf of this student, give the high school, the KHSAA and their representatives permission to release this student's demographic information (including motion picture and still photographic images) and participation statistics (including height, weight and year in school, participation history and other performance based statistics) and other information as may be requested, and agree that the student may be photographed or otherwise digitally or electronically captured during school-based competition. All of this material may be used without permission or compensation specifically related to the KHSAA and its events.

The student and parent/legal guardian consent to this student receiving a physical examination as required by the KHSAA.

The student and parent/legal guardian, individually and on behalf of this student, consent to the high school and the KHSAA and their representatives to use and disclose the necessary personally identifiable information from the student's education records including academic, financial and health care information, to third parties including school representatives, coaches, athletic trainers, medical facilities, medical staffs, KHSAA legal counsel and the media, for the purpose of receiving proper/necessary medical care and complying with the KHSAA bylaws, including making determinations regarding eligibility to participate in interscholastic athletics and any administrative or legal proceedings resulting from participation or attempted participation in interscholastic athletics, without such disclosure constituting a violation of rights under the Family Educational Rights and Privacy Act. The student and parent/legal guardian, individually and on behalf of this student, further release the high school, the KHSAA and their representatives from any and all claims arising out of the use and disclosure of said necessary personally identifiable information, and agree to release to the high school, the KHSAA, and their representatives, upon request, the detailed and completed application for financial aid.

The student and parent/legal guardian, individually and on behalf of the student, hereby acknowledge that they are aware of and will review if desired, the education materials available through the KHSAA, the Centers for Disease Control and other agencies regarding education all individuals with respect to nature and risk of concussion and head injury, including the continuance of play after concussion or head injury.

The student and parent/legal guardian, individually and on behalf of the student, hereby consent to allow the student to receive medical treatment that may be deemed advisable by the high school, the KHSAA, and their representatives in the event of injury, accident or illness while participating in interscholastic athletics, including, but not limited to, transportation of the student to a medical facility.

ASTHMA AUTHORIZATION FORM 2025-2026

If your daughter has asthma, this form must be completed, signed, and returned to the School Office by Friday, July 25, 2025

Kentucky House Bill 353 allows students with asthma to have unobstructed access to asthma medications. The key points of this law are as follows: Public and private school students are allowed to possess and use asthma medications provided that:

- The student has written authorization from a parent and her health care provider to self-administer her asthma medications.
- The written authorization is kept on file at school.
- A parent or guardian must sign a statement acknowledging that the school has no liability from any injury sustained by a student from self-administration of medication.
- Permission for self-administration of medications is effective for the current school year and must be renewed each school year.

If you have any questions regarding this law or any asthma issue, please contact the Director of Education & Advocacy, American Lung Association, at 363-2652.
