Dual Credit courses provide Assumption High School students the opportunity to fulfill their high school graduation requirements while simultaneously earning credit on a college transcript.

BENEFITS OF DUAL CREDIT:

- Highly qualified faculty with advanced course work in the subject matter who are approved by the partnering college or university
- Greatly reduced cost per credit hour - currently capped at \$95 per credit hour
- Dual Credit Scholarships available through KHEAA for up to two courses per year for 11th and 12th grade students
- Separate KHEAA Work Ready Dual Credit scholarships available for the teaching and business courses for up to two courses per year for all high school students. Courses marked with + are eligible for the Work Ready Dual Credit (WRDC) Scholarship.
- Easily transferable credit to most colleges and universities in the state of Kentucky and nationwide

**transfer credits are awarded at the discretion of receiving institution.*

STEPS FOR DUAL CREDIT COURSES

☐ APPLY

During your daughter's first days of class, Mrs. Fieldhouse and her teacher will guide your daughter through her application as a dual credit student.

☐ CREATE ACCOUNTS

Your daughter will be guided through the steps to create her account with each partnering college or university. She needs to very carefully follow these steps to establish her relationship with the school so she can pay for the course and ultimately send her transcript to the school where she will continue her post-secondary education.

Use the space to the left to record usernames and passwords for safe keeping until you need them again!

☐ PAY

Each university charges approximately \$95 per credit hour and your daughter can view and pay her bill using the account(s) created above. Tuition is due by November 1 for fall courses and April 1 for spring courses. Please check each university website to ensure your payment is fulfilled and on time!

THE DUAL CREDIT SCHOLARSHIP

The state of Kentucky offers a scholarship for any student enrolled in a dual credit course. Students must create an account at KHEAA.com and apply by designating the school to receive the scholarship. This application is open and must be completed by **October 1**. When awarded, the funds will be sent directly to the college or university. Students should check both her university and KHEAA accounts to ensure that tuition has successfully been paid. **THIS STEP MUST BE COMPLETED AND VERIFIED BY THE FAMILY.**

☐ REQUEST

Once your daughter has graduated, she must login to each of her college or university accounts to request a transcript to be sent to the school where she will continue her post-secondary education.
