

January 2026

Dear Senior Parent,

Over the years, senior parents have developed a tradition of supporting certain activities important to their graduating daughters at Assumption. One of these is helping to underwrite the cost of printing the yearbook by purchasing “Senior Tributes” that contain a congratulatory message and favorite photos of your graduate. “Senior Tributes” can be a great way to document and celebrate your daughter’s time as an Assumption Rocket.

You may include any message you want, from a short “Congrats!” to a special quote to a brief paragraph that details your hopes for your daughter’s future. Print or type the message you want to include. **Please consider the size of your ad when writing your message.** If one line should be a larger type than the rest, or in all capital letters, please indicate that in the message you submit with the photos. Your ad, like the rest of the book, will be printed in full color.

Once we have your pictures and messages, the ad will be designed by a member of the yearbook staff. These ads will match the overall design and theme of the book. When you see the ads laid out next to each other in a uniform way, I think you will be very pleased with the way your ad looks. Please keep in mind we are a student-produced book, and the staff is still learning and not professional designers.

Please note the following considerations before sending your images:

- Any professional photography, including your daughter’s senior pictures, is copyrighted material that we do not have the right to republish without written consent from the photographer.
 - If you have photographs from a studio or a professional photographer (Signature, Lifetouch, etc.), you must obtain written consent to use these pictures in your ad. To protect the school from any copyright infringement, the yearbook staff will not publish any professional photography without the owner’s written consent.
 - If you took your senior pictures with **Michelle Haas Hutchins** or **Maggie Ising Ford** there is no need to contact them for a print release. They have provided a print release for all purchased images.
- Submit your message and digital images to melissa.fette@ahsrockets.org with the subject line “[Student Name] Senior Tribute Materials.” Please do not mail hard copies of original images. If you would like to use an older image, I suggest taking a picture straight on of the picture and emailing it.
- Without going into detail about what would constitute as “inappropriate content,” please note that the yearbook staff will not print anything that we find objectionable, either legally or morally. If you have a question about whether any pictures or messages are acceptable, feel free to ask me.

We hope you will seriously consider placing a “Senior Tribute” piece honoring your graduating daughter in our yearbook. It will be a permanent reminder to her of your support for her during this time and will be an important keepsake for the rest of her life. It is only through the support of parents like you that we are able to continue the tradition that has become the Assumption *Rosecast*. **The deadline for the return of contracts for “Senior Tributes” is Friday, February 20. After securing your space, the deadline for ad materials (photos and message) is March 2, 2026.**

Special Note: Any contracts submitted after the deadline will still be admitted into the yearbook but there will be a late fee of \$10 for contracts submitted after deadline. Ads cannot be admitted into the yearbook after spring break due to production constraints.
